Please state briefly your reasons for applying to become a member of ACCORD as a facilitator:

Please state your understanding of the benefits of attending a Marriage Preparation Programme in preparation for Sacramental Marriage in the Catholic Church.

ACCORD Catholic Marriage Care Service is an agency of the Catholic Church providing a nationwide service to couples preparing for the Sacrament of Marriage. ACCORD is committed to providing a quality service. Personnel are professionally trained to facilitate Marriage Preparation programmes on behalf of Accord. ACCORD serves the pastoral needs of couples at different stages in their relationship.

- * **Preparation for Marriage** in a Christian context focuses on the essential components which foster a good couple and family relationship:

ACCORD recognises that the couples who attend Marriage Preparation are on a shared journey which has supported the growth of their couple relationship to the point where they now feel ready to present themselves for the Sacrament of Marriage, and to begin life as a married couple within the setting of their Parish Community.

The Marriage Preparation Programme provides a valuable opportunity for couples to focus on the current strength of their relationship, and to identify the key elements they are handling well, and the areas that will benefit from further development.

The programme design centres on regular time allocations for personal noting, followed by couple time when ideas and opinions are shared and discussed in confidence.

Accord Marriage and Relationship Counselling Service:

ACCORD CLG also offers a professional counselling service which facilitates couples and individuals to explore, reflect upon and endeavour to resolve difficulties in their marriage and relationships in a confidential, sensitive, respectful and non judgemental setting.

ACCORD Catholic Marriage Care Service conforms with the Criteria for Programmes of Preparation for the Sacrament of Marriage Approved by the Irish Episcopal Conference (June 2010)

ACCORD Catholic Marriage Care Service wishes that all prospective candidates are familiar with the Mission Statement of Accord, which is on the cover page of this application form, so that they are fully aware of the ethos out of which the Accord Organisation works.
